

Kitchens  
2021/22

TAILOR-MADE.  
CONCEPT.  
EXCLUSIVITY.

Words that Kitchens chooses in solutions that are much more than innovative: experience.

These are projects with personality. Powerful in translating an atmosphere of connection with those who live in it.

There is always a careful look at the creative process. Detailed analysis to connect extreme good taste with maximum comfort.

The selection of materials in line with your home is crucial. Where people live harmoniously integrated their surroundings.

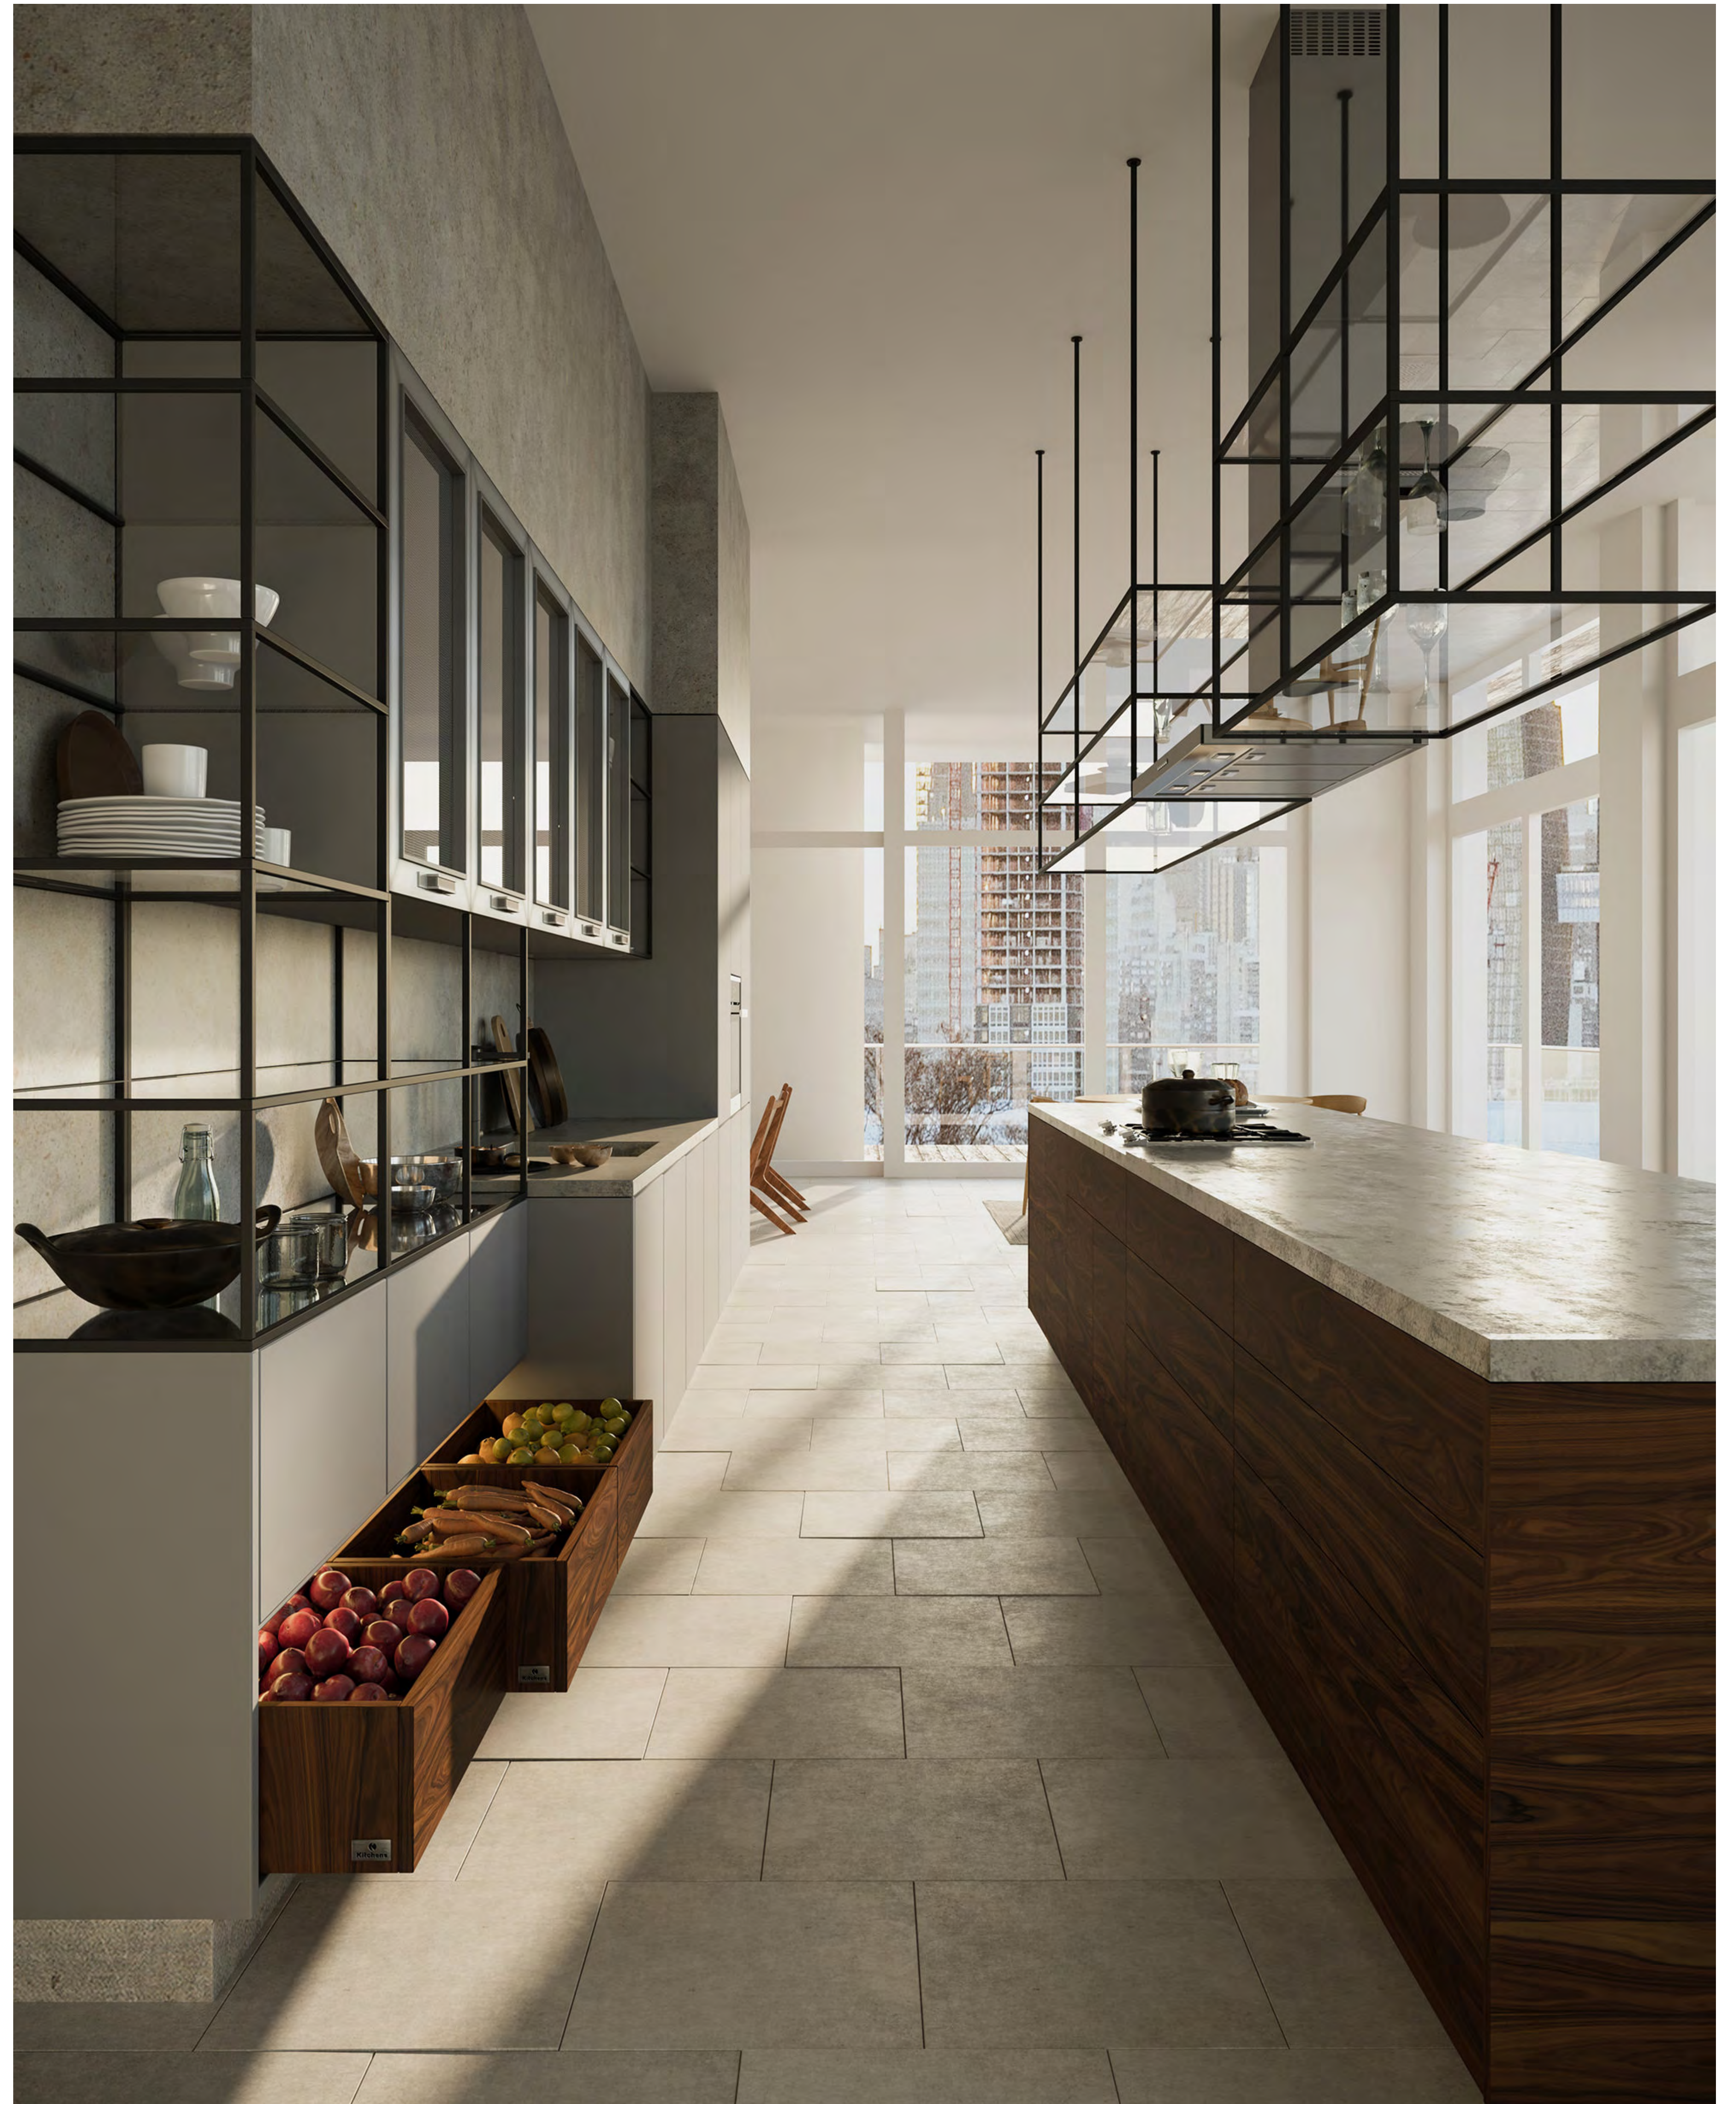

Thus, creations acquire their own identity. Transforming each dream into a unique reality.

Kitchens understands, feeling good in your own space makes life much better.

No explanation. Just appreciate its beauty.

NY

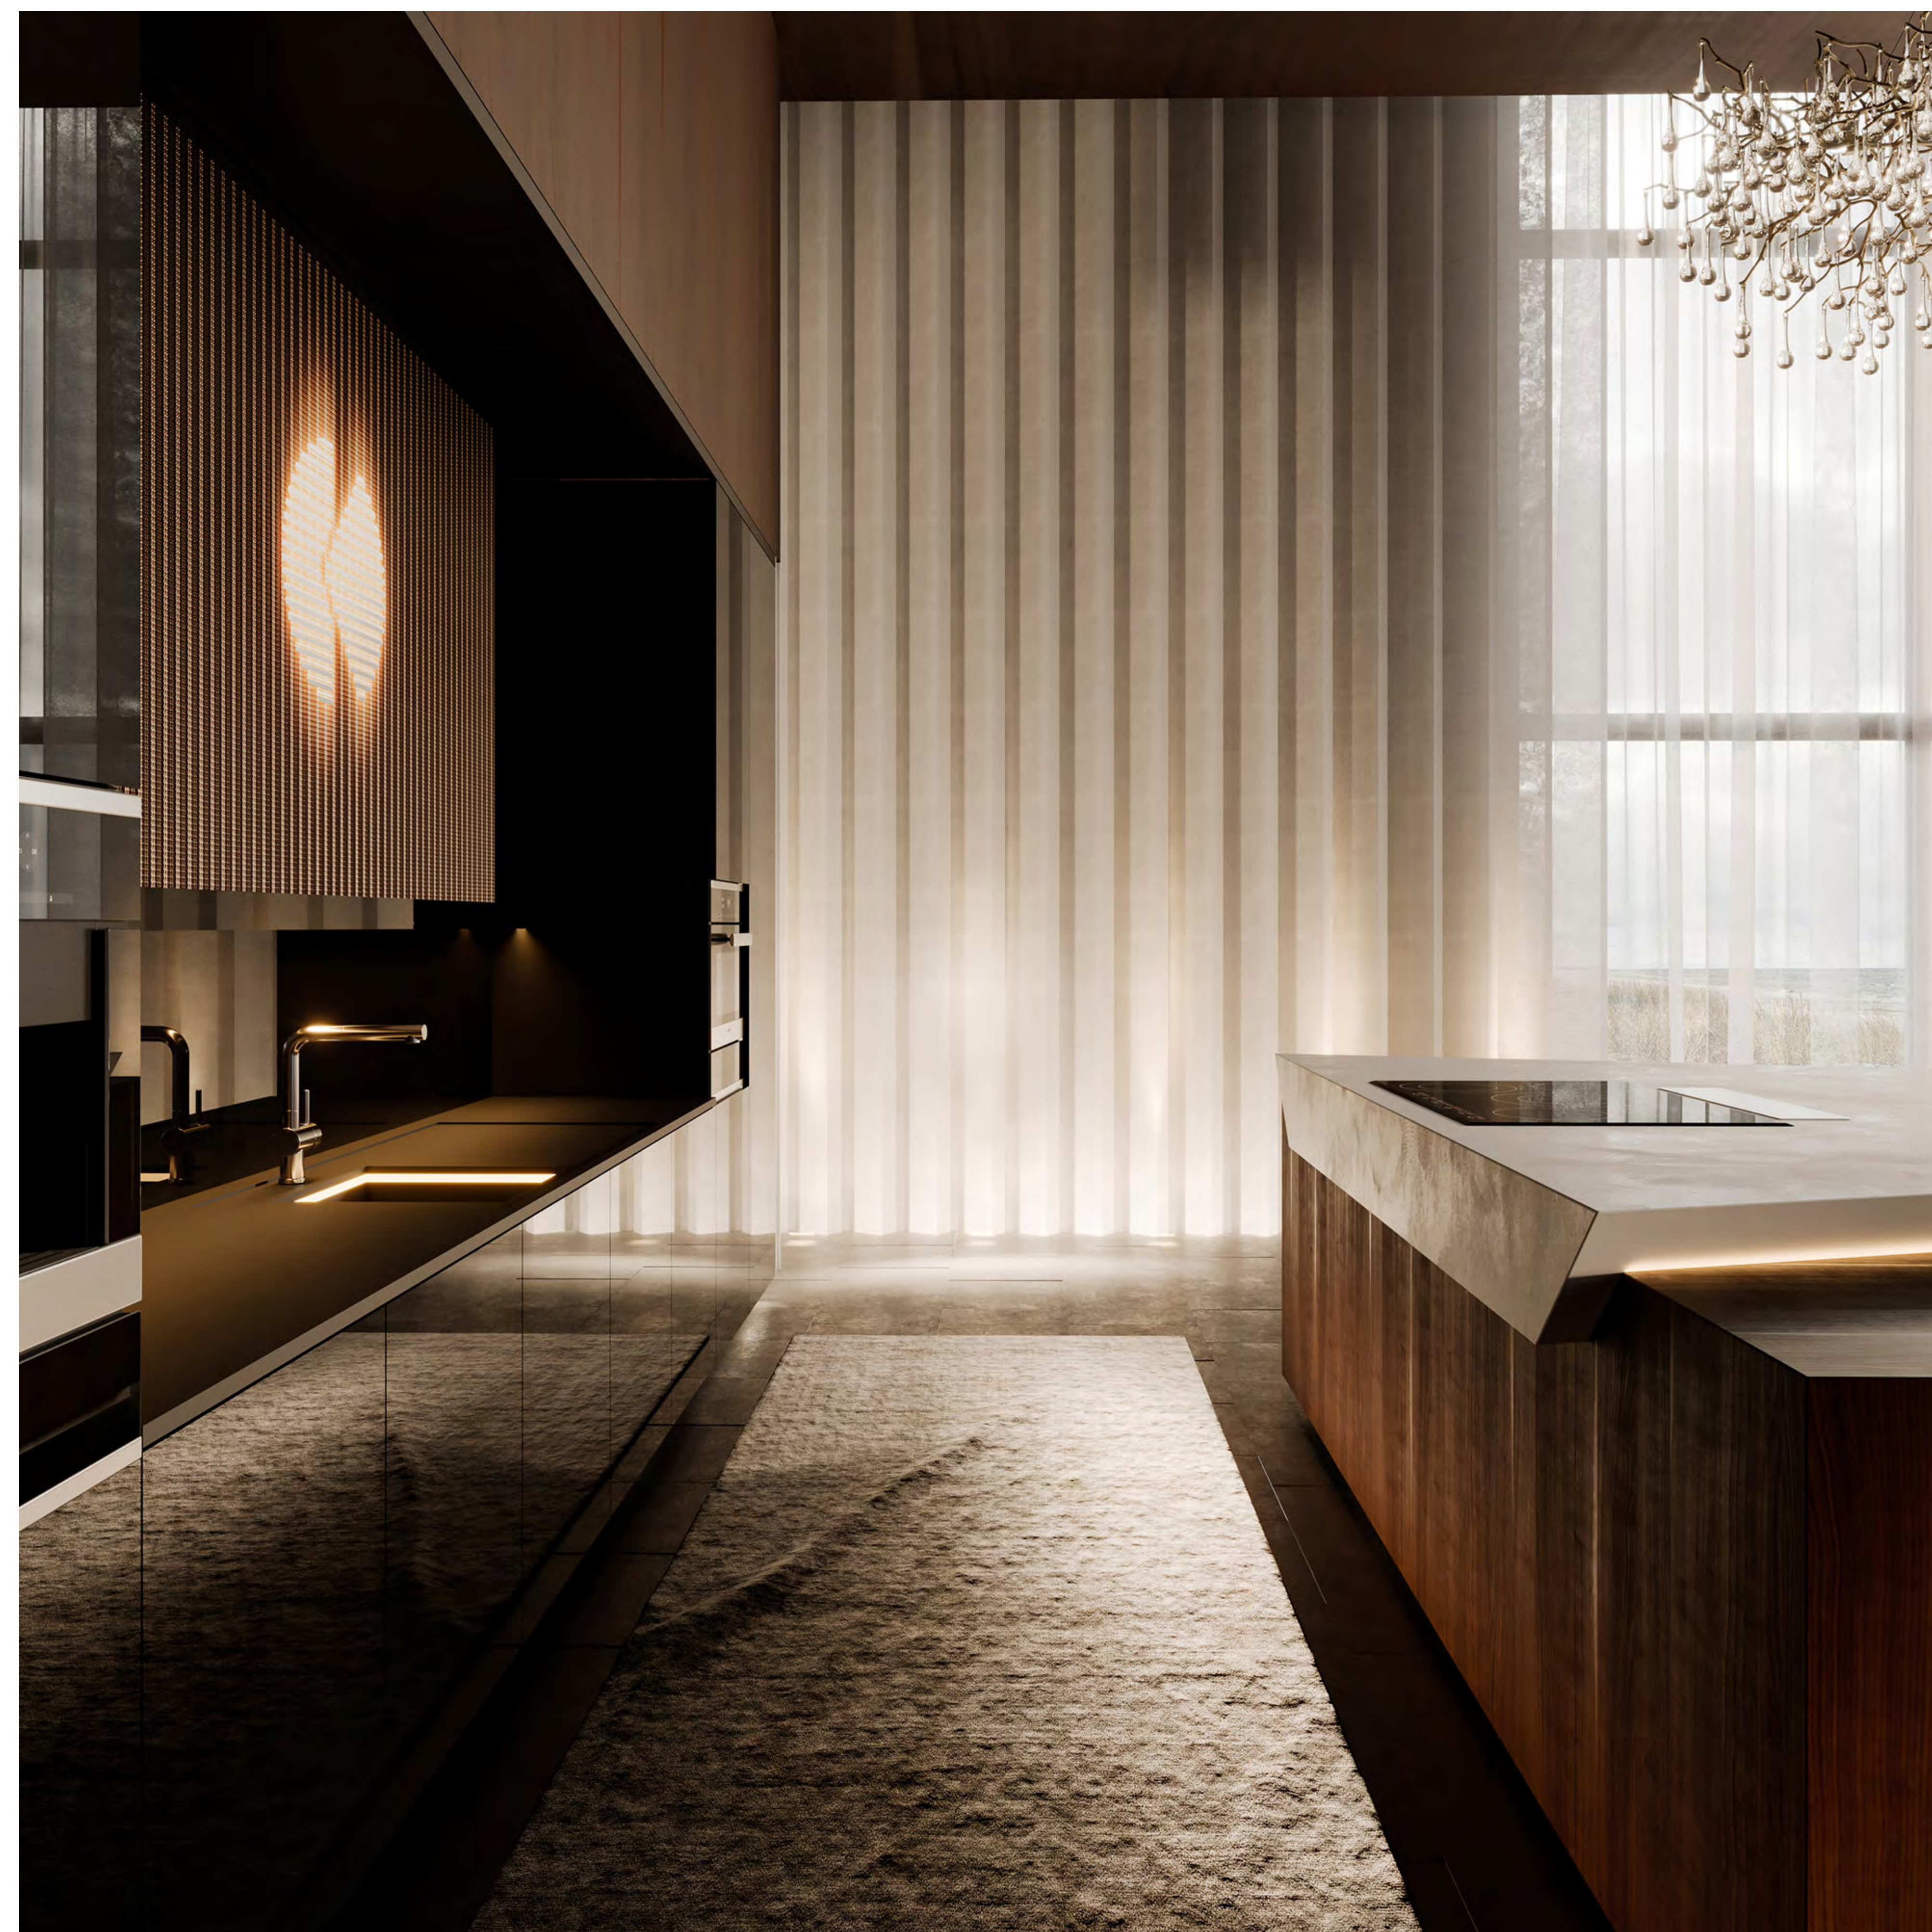

CONCEPT

The elegance of dark tones takes on new meanings in its futuristic version.

MONOBLOCO

The brightness is exposed in all its purity in the geometric cuts.

PURE

Your kitchen can be so irresistible!

URBAN

Elements refer to nature in an authentic environment.  
The classic here is revised.

COMPACT

Design reflected in a beautiful solution.

Some people dream in black and white, others in color. In common, everyone calls for comfort and well-being at nightfall.

Fine craftsmanship. Glass doors lined with natural grass-root.

Charm in light and fluid lines

Elegance with versatility. Infinite composition of colors and handles.

Inspired with the details and lightness of its design

Boldness and authenticity set the tone in space with strong visual allure.

The golden-rose is inspired in the details of an elegant and contemporary environment.

One of the most popular styles today: multifunctional design
